Subject: 2010 USJF / USJA Junior National JUDO Championships

Ladies and Gentlemen,

I wish to welcome everyone in the judo community to the upcoming inaugural 2010 USJF / USJA Junior National JUDO Championships to be held at the Bren Event Center (UCI), Irvine, California.

Nanka Judo Yudanshakai (Southern California Black Belt Association) is very excited to be hosting this major event and are expecting over 1000 competitors. Registration is on Friday, July 2^h and the competition is on Saturday and Sunday, July 3rd and 4th. With your support and encouragement, the USJF / USJA Junior National JUDO Championships will be a wonderful event for both your championship caliber and novice students.

For the first time in a Junior National Championships, we will also host a Novice Tournament for White and Yellow Belts so all can enjoy the spirit of a National event.

As President of Nanka Judo Yudanshakai, I would like to personally extend this invitation to attend our tournament and to enjoy the great weather and activities available in Southern California. We are fortunate to have Disneyland, Knott's Berry Farm and other attractions in close proximity to the tournament site. Foreign nationals are welcome to compete individually and not represent a country. USJF does not promote or sponsor such participation.

We also have many judo clubs in the surrounding area and if you wish to visit and practice, we would be more than happy to help with making contacts and arrangements.

For additional information regarding the tournament, accommodations and attractions, please go to our website: www.NankaJudo.com. Hotel information is now posted. Application forms will be available shortly.

For further inquiries you are welcome to contact me at 310-702-0023 or email me at EShiosaki@aol.com.

Sincerely,

Ed Shiosaki, President, Nanka Judo Yudanshakai (Southern California Black Belt Judo Association)
