Mr. Jerry Hazemoto, Head Administrator of Ippon 4 Nippon

Dear Sirs,

I would like to inform you that we received the sum of 740,525 JPY, which was raised from the Ippon 4 Nippon Throw-A-Thon, to our bank account today. Please accept my sincerest appreciation for the kind and thoughtful support from Judo family in the Southern California.

The funds will be used to help the people/ organizations related to Judo who are victims of the March 11 earthquake and subsequent tsunami recover from the devastation.

I believe the generous support from Judo family such as yours will reach the affected people and encourage them to move forward toward reconstruction. In closing, I would like to express my deep gratitude to all the participants, the people involved in the Ippon 4 Nippon Throw-A-Thon and Nanka Judo Yudanshakai.

I wish you every success and look forward to the further development of Judo in the Southern California.

With warmest regards,

Haruki Uemura
