## Introduction

## General Information

Sankyu is the first rank in Kodokan Judo where the judoka wears a Brown Belt. While still considered a "Beginner", the judoka should have some basic skills and understanding of Kodokan Judo practice and techniques. At this rank, the general public will consider the judoka to be proficient in judo and will expect him/her to be able to explain Kodokan Judo and to execute techniques with a certain level of skill. Because of this, it is important that the judoka understand that this is the first of several important transition ranks in

Kodokan Judo. Some of the others being the promotion to Shodan (First Degree Black Belt) where the judoka is first considered a "Student" of Kodokan Judo, the promotion to Yodan (Fourth Degree Black Belt) where the student is first considered to be a "Teacher", and the promotion to Rokudan (Sixth Degree Black Belt) where the teacher is allowed to wear a red and white belt.

Since this is the first of the "transition ranks", it is important that the Instructor counsel the judoka as he/she prepares to engage in the challenge of becoming a Kodokan Judo Brown Belt. The judoka must be made to understand that he/she will be expected to be a leader in the class, that he/she must achieve and maintain a demeanor that will instill respect and cause other beginners to imitate his/her practice techniques and dedication. Therefore, the judoka must practice with sincerity, dedication and regularity.

## General Requirements

Kodokan Judo is an Olympic Sport and self defense system that originated in Japan. Therefore, the techniques and class commands are properly known by their Japanese names. Learning the proper names for the techniques, the commands used in class and the way to address the instructors and visitors is a requirement of all USJF students. This has the added benefit of allowing you to practice effectively anywhere in the world where Kodokan Judo is taught.

In addition, all commands at Kodokan Judo tournaments up to and including the Olympic Games are given in Japanese. Therefore, it is imperative that the student understand these terms to be competitive in tournament play.

## Time In Grade

## General Requirements

The time in grade requirements are based on a period of time that the student remained a registered member of the United States Judo Federation since his/her last promotion.

Time in Grade requirements are also based on the total time that the student has spent actively practicing Kodokan Judo since his/her last promotion. This is based on a minimum of 1.5 hours of mat time per session and at least two sessions per week.

## Sankyu Requirements

NOTE: Although the minimum requirements are stated below the head instructor, based entirely on his/her determination, may require more or less time before awarding the promotion. The student must never question the timing of promotions.
Non-competitors are required to hold the rank of Yonkyu for nine months prior to going up for promotion to Sankyu and have approximately 128 hours of practice time on the mat as a Yonkyu.
