President's Address

The USJF Seminar Series returns! We continue to spotlight those judokas who were instrumental in setting the direction for judo in the United States by their skills on and off the mat.

On Sunday, January 23rd at 1 PM Pacific and 4 PM Eastern, USJF Hall of Fame inductee, past USJF President and Chairperson of the Board of Examiners, Robert Brink will be the special guest. Mr. Brink will talk about not only his development as a judoka, but the key roles he played in forming the United States Judo Inc. (USA Judo) as the first national governing body for judo in the US.

Make sure you join us for this personal look back to that time by a man who was instrumental not only in the development of judo at every level in this country, but also internationally as a USJF Judo Ambassador, as a photojournalist at several judo world championships, and as an advocate for international acceptance of women's judo competition.

For a positive webinar experience, we will verify email addresses. If you are participating through a mobile device, please email m.palacio@usjf.com for email verification.
