Life Membership  
4/3/23  
Mid-Year Report

As of April 3, 2023, we have had 34 new regular Life Members register and two new PCLMs at charter level. Last year we had the same number of regular members and the same number of PCLMs.

So far this year we have added \$10,249.06 to the endowment fund.

Tentatively, this coming spring we will be offering our members on-line applications for regular Life Member and President Life Member.
