## LIFE MEMBERSHIP YEAR END REPORT 2022-2023

Sensei Dan Israel, one of our electronic communication committee members, has put the Life Member and Presidential Club Member application on-line in the member portal. Some of the higher levels PCLMs still need to fill out and send it in to the National office. This way when they are renewing your membership they can also become a LM or PCLM on-line so they don't have to fill out a form and send it into National office. This is much easier for all. I want to publicly thank Sensei Dan Israel for doing this. Since we went on-line we received seventeen new regular life members and two upgrades to PCLM.

We added 92 new Regular Life Members resulting in a 60% increase in regular memberships. As for the President Life Memberships Club, we received five new members a 25% increase, three Charter level members and two to Executive level.

As a result, the income going into the USJF Endowment Funds after the expense of paying for plaques, engraving, cards, lapel pins, patches and postage was \$31,657.67
