## LIFE MEMBERSHIP YEAR END REPORT 2024-2025

We have had the 3<sup>rd</sup> highest memberships in one year since I have been Chair of the Life Membership Committee. Thank you all new LMs & PCLMs.

The new way to submit Life Membership forms electronically has been a great success. The first partial year we receive 17. In the second year received 78 regular members. This year we received 119 electronic memberships. Of those, 106 were regular memberships and 13 were President Life Members included either Charter members or higher levels this way. Thank you again Sensei Dan Israel for our members to be able to submit their LM membership form through the member portal.

As a results we added 171 new regular memberships with a 12% increase in regular memberships. As for the President Life Memberships Club, we received 17 new members PCLMs 90% increase.

The proceeds going into the USJF Endowment General Fund, after the expense of paying for plaques, engraving, cards, lapel pins, patches and postage, was \$60.366.08.

With the new increase of promotion fees, getting a life membership is even more beneficial for our judokas.
